## **APPENDIX 1.**

### **Cultural Award Categories defined:**

#### **Junior Award - 15 years and under**

An individual or group of artists that has / have shown potential or has / have displayed real talent, during the last year. This individual or group would have impressed with their performances / creations (perhaps already being recognised in other festivals/ competitions). The nominee would also be recognised for innovation, creativity and ability with the impact of their work also considered.

#### **Youth Award - 16 to 25 years**

An individual or group of artists that has / have shown potential or has / have displayed real talent, during the last year. This individual or group would have impressed with their performances / creations (perhaps already being recognised in other festivals/ competitions). The nominee would also be recognised for innovation, creativity and ability with the impact of their works also considered

#### **Senior Award - 26 years and over**

An individual or group of artists that has / have shown potential or has / have displayed real talent, during the last year. This nominee would be judged on the quality and originality of their 'work', and any specific initiatives they may have launched, with the impact this could be having on the community, also considered.

#### **Best Education Project**

A genuinely exceptional project in its ambition, one that has engaged the community through a high-quality artistic / creative output, during the last year. This initiative should have a positive lasting impact, promoting the particular area it serves to highlight. The project would show the power of the arts in reaching a wider audience, (who might not have been engaged otherwise), perhaps through original collaborations, and in less traditional settings.

#### **The Cultural Ambassador Award**

An artist or artistic endeavour which has promoted Gibraltar's talent or the Rock as a destination to a wider audience, or helped put the Rock on the map, during the last year. The nominees' body of work will be considered together with its reach and impact.

#### **Extraordinary Award**

An award that recognises exceptional individuals that have already achieved international recognition and success. These individuals are likely to enjoy a successful career in their chosen field, demonstrating outstanding talent and ability. They will be natural innovators, and ambassadors and have inspired many through their work.

#### **Lifetime Achievement Award**

The lifetime achievement award is given to recipients who have dedicated their lives to the arts and culture, and have in this area made an impact in society and to the lives of others. An award which recognises dedication, commitments and service, and individuals who have gone over and above in their chosen field. No doubt this person would have inspired and mentored many over the years, paving the way for future generations.

#### **Gibraltar Cultural Services Award**

A discretionary award given by the board based on an individual's/ group's particular achievements. The board may feel this nominee deserves recognition for their actions and efforts. This can be for a one off project that has proved successful and has had a positive impact or for ongoing commitment and dedication to the arts in Gibraltar.
